

ENDORSED! Judy Moore Starts Gathering Labor Support in her City Council Bid

Boilermakers Local 13 endorse Judy Moore for City Council

August 6th, 2019

Philadelphia, PA - On Tuesday, August 6th, the International Brotherhood of Boilermakers, Iron Shipbuilders, Blacksmiths, Forgers & Helpers Local No. 13 endorsed Democrat Judy Moore for City Council.

"I'm honored to get the endorsement of Boilermakers Local 13, a union that has so many of its members residing here in Northeast Philadelphia," said Judy. "The Boilermakers and I share a better vision of Northeast Philly, and I am confident this endorsement will help us win. The skill and strength required of these men and women—working at great heights, in confined spaces, and under extreme pressure—is the same type of spirit I see in the people of Northeast Philly. Up here we work hard and sacrifice so that our families can have more than we had. That's why I'm running: because things should be getting better, not worse.

"But instead, young families are leaving Northeast Philly, heading to the suburbs to find better schools for their kids. Crime is up but our officers lack the resources to keep our community safe. Commerce is struggling in the district, but small businesses have no incentives to come here and open up shop. In other neighborhoods of Philadelphia, I see the opposite happening, and I don't see any reason why it can't be just as good in the Northeast.

Ed Harkins, Political Director of Boilermakers Local 13, said, "Judy Moore is just what hard working families need in Northeast Philly—a likewise hard worker who will take care of her constituents. We are happy to stand with her, because we know she will invest in her community, protect the rights of all workers, and go above and beyond in her job on City Council."

Judy Moore is a Democratic candidate for City Council in the 10th District. Born in Northeast Philadelphia, graduated from La Salle University, she lives in the neighborhood of Normandy with her kids and her husband, a police officer in the 7th District.
